TRACK TEAM IS THE BEST EVER

Augustana Expected to Take Majority of Points in This Spring's Meets.

TRIED MATERIAL ON HAND

New Men Also Practicing Show Up Well, Interest Being Keener Than Ever Before.

With Julius Johnson, the star runner at Augustana, as captain of the track team, the local college hopes to smash all its previous records made in field meets. Early last fall the cross country running work was begun and all during the year it has been continued. As a result an extra amount of track material has been developed in addition to the men who have taken part in the basketball work. Captain Johnson has shown exceptional ability as a runner, winning on the local field first place in both the half mile and mile race with William and Vashit. In the meet at Coe college, he won second in both of these events and third in the quarter. This year he is in exceptional form and will break all his previous records.

The star man for the 100 and 220 yard race is C. W. L. Johnson. Last year was practically his first attempt at that work and he easily won second in the 100 yard and made an exceptional showing in the quarter. That he will break his record this year seems assured. Carl Dowell, who came here last fall from Brooklyn, N. Y., has shown very promising ability in many lines of athletic activity. His specialty, however, is in the high jump and his record so far this spring is 5 feet 7 inches. That he will make a hard run for first place in the state meet in Peoria is evident as the present records of the conference in this event is 5 feet 7 1/2 inches.

Berg Shot Putter.

Berg, the strong guard on the varsity basketball team, will make good at the shot put. Last year he won second in this event on the local field and his training this year and his showing already this spring indicates that he will outdo all his previous records.

France to Lead in Boxing, Says McCoy

Kid McCoy, well known expugilliant champ, who returned to the United States recently from a visit to Paris, declares that the day approaches when the Frenchmen will hold most of the boxing belts. "France," says the Kid, "will in a later day be the fight capital of the world. The Frenchies aren't the gamest fighters in the world, but they are mighty clever and I wouldn't be surprised if they were able to win all of the boxing titles (with the possible exception of the heavyweight) in time to come. They don't seem to grow large enough over there to be able to turn out a real winner in the heavyweight class. In the other divisions though, they are coming ahead with speed and showing surprising class."

Carpetier, thinks McCoy, is far too light for his class. McCoy hoots the notion that Carp. will ever hold the world's title. "He isn't by any

GOOD SEASON IS EXPECTED IN C.A.

Teams Lineup in Excellent Shape During Spring Training Session.

Burlington, Ia., April 20.—The practice season in the Central association is on in full swing, and there is not a note of dissent from any quarter with the showing being made by the prospective teams. The various managers have already begun to discard some of their recruits. The results of games between Central association squads and the teams in higher league or leagues of an equal rank are quite satisfactory, and indicate that there will be some high class baseball in this circuit this summer.

Manager Egan's Ottumwa team is attracting a good deal of attention during the try-out season, because it is composed almost entirely of young men who are new to this league, and a number of them new to organized baseball. Egan's reputation for having won two pennants for the Ottumwa management has made him a conspicuous figure in the league, and his new departure of discarding old men and making up a team of youngsters has attracted a good deal of attention.

Manager Hough of Clinton has a number of young players but a number of experienced players make his team look like the last season squad. He has been fairly successful so far this season in contests with other teams. The new ball park is being put into condition and will soon be ready for the regular games. Marshalltown continued to be a place of considerable interest to the Central association fan. No idea of the strength of the team there can be ascertained yet. Manager Richards seems highly pleased with the outlook, and he is going at the matter of weeding out as though he meant business.

The Waterloo team is reckoned to be a strong one, from advance advice. Manager Andrews has an infield that he is proud of and in which he is placing a great faith. Tex Sheldon, "Paddy" Siglin, Jimmy McAuley and Joe Wentz form the combination. Manager Abbott of the Keokuk team is getting some good work out of the squad he has collected in that city. He has enough men to form two teams, and some lively contests are being staged there.

Manager Boyle of the Muscatine club is still adding men to his team, and this has caused comment. Usually Boyle is pretty well satisfied with his team, and the fact that he is signing new material now looks as though he needed some kind of talent he has not yet secured.

Cedar Rapids is busy with all sorts of exhibition games. From contests with college clubs Manager Hill has contracted for nearly every kind of baseball exhibition, lastly signing up the Chinese ball team that is traveling in this country.

Burlington team has been at home for a week and has given a number of good exhibitions. The most exciting was with Regina, Canada, which broke up in a row and a fist fight.

WAR SPIRIT AMONG PLAYERS

Hank O'Day's Cubs Drop One to the Lowly Cardinals Because of Inability to Hit.

St. Louis, Mo., April 21.—Even the ball players were stimulated with the spirit of war yesterday, and as a result the Cardinals and Mordca Brown's S'lofeds engaged in desperate combat here in their first encounter of the year. Brownie's gang came out victorious by a count of 3 to 1 in a slugging duel between Claude Hendrix and Bob Groom, former National and American pitchers, respectively.

HENDERSON WINS FIGHT FROM DOIG

Local Battler Regains Lost Laurels—White-Whitney Bout Ends in a Draw.

Kid Henderson of Rock Island reclaimed himself by winning a decision over Jack Doig of Springfield Valley in their 10-round preliminary bout of a card before the Peoria Athletic club in that city last night. The local fighter led in nearly every round and earned the decision by a wide margin. Both lads fought at 142 pounds, and were in the pink of condition. The victory meant much to Henderson, as Doig had earned a shade decision over him at the last Peoria show. Henderson worked hard to get in shape for the bout.

The main one on the card, a 10-round bout between Charlie White of Chicago and Frankie Whitney of Cedar Rapids, ended in a draw. The bout was fast.

TRI-CITY HONORS TO BE AT ISSUE

Bylund of Moline and Brondell of Davenport Wrestle Here Friday Evening.

At the Illinois theatre next Friday evening Harry Brondell of Davenport and Bobby Bylund of Moline will get together in a finish bout. The rivalry between these two boys is of the keenest sort. Brondell has long been recognized as Davenport's best welterweight grappler. Bylund has held the same reputation in Moline. The dispute between them as to which was entitled to the tri-city championship has been of long standing, and their respective friends have been anxious to see them clash.

The Illinois Athletic club, which is staging the battle, also announce another go that will be almost equally interesting. Billy Hurley of Albany, Ill., and Carl Richie of Northwest Davenport have been matched for the semi-windup. It is practically a double windup.

Every young man should make it his business to establish a record with a good bank. At a time when opportunity is at stake, what his banker knows about him may prove a vital help.

Rock Island young men on salary can have a savings account here and are invited to do so. A pass book showing regular deposits is an asset in more ways than one.
